👤 Professional Summary

Dedicated **SOC Analyst** and Cybersecurity professional with hands-on internship experience at Skills Hunter. Trained in **Cybersecurity from BBSHRADB at GC University Hyderabad**. Skilled in network traffic monitoring, security incident analysis, vulnerability assessment, and penetration testing. Passionate about protecting organizational assets from cyber threats.

🛡️ SOC Analyst & Cybersecurity Skills

- 👁 **Security Monitoring & Incident Response** — Monitoring network traffic and analyzing security incidents to prevent cyber threats
- 🔍 **Vulnerability Assessment & Penetration Testing** — Conducting VAPT to identify and mitigate security risks
- 📋 **Security Policy Implementation** — Supporting security policies for compliance with industry standards
- 🚨 **Threat Analysis** — Analyzing cyber threats including phishing, malware, and ransomware
- 🌐 **Network Security** — Knowledge of firewalls, IDS/IPS, and network traffic analysis
- 📁 **Security Audits & Risk Assessment** — Performing audits and risk assessments for system vulnerabilities

📁 Work Experience

Cybersecurity Intern (SOC Analyst Track)

Skills Hunter

6 Months — Hyderabad

- Assisted in monitoring network traffic and analyzing security incidents to prevent cyber threats
- Conducted vulnerability assessments and penetration testing to identify security risks
- Supported implementation of security policies for compliance with industry standards
- Collaborated with security team to respond to incidents and document findings

Technical Team Leader

CyberArena Hackathon 2025

MUET Jamshoro

- Led technical operations and team coordination for Cybersecurity Workshop & Hackathon
- Recognized with certificate for valuable role as Technical Team Leader

Cybersecurity Project Participant

GC University Hyderabad

BBSHRADB Program

- Participated in Cybersecurity final project display at GC University Hyderabad
- Collaboration with BBSHRADB, Government of Sindh
- Received participation certificate for project display

⚙️ Technical Skills

Security Tools:

Vulnerability Assessment Tools, Penetration Testing

Networking:

Network Traffic Analysis, Firewalls, IDS/IPS

Programming:

Python, C++, SQL, HTML, CSS

Operating Systems:

Windows, Linux Basics

Education & Training

Cybersecurity Training

BBSHRRDB at GC University Hyderabad

Government of Sindh

- Diploma in Cyber Security and Ethical Hacking
- Hands-on training in VAPT, network security, and incident response

MERN Stack Development

SMIT (Saylani Mass IT Training)

Hyderabad

- Full-stack web development with MongoDB, Express.js, React.js, Node.js

Bachelor's Degree in Computer Science

In Progress

Certifications

-  Technical Team Leader (CyberArena 2025)
-  Cybersecurity Project Display (GC University)
-  Certificate in Information Technology
-  Summer Camp English Speaking Club
-  Ethical Hacking Fundamentals
-  Network Security Essentials

★ Key Strengths for SOC Analyst

- Alert & Incident Analysis
- Threat Hunting
- Log Analysis
- Attention to Detail
- Security Documentation
- Incident Response
- Risk Assessment
- Penetration Testing
